

Pilgrimage

Pilgrimage is a collection
inspired by a love of walking

Pilgrimage is a collection inspired by a love of walking — by the simple act of putting one foot in front of the other and giving yourself a little space to think.

It's about slowing down, getting back to basics, and finding a bit of peace and perspective along the way. We've used beautiful natural fabrics, British wool, textured yarns, and our own hand-designed linen/wool mix – with pieces designed to be lived in, layered and worn for years.

There's something grounding about making clothes slowly and thoughtfully, and that's very much at the heart of this collection.
